GENERAL INFORMATION

On or before February 28 of each year, each employer must file a withholding reconciliation on Form W-3. Copies of all W-2 forms applicable to the reconciliation must be attached. All W-2(s) must furnish the name, address, social security number, qualifying wages, all the city taxes that were withheld, along with the city names of which tax was withheld, and any other compensation paid to the individual.

If copies of the W-2 forms are not available, each employer must provide a listing of the W-2 form. The listing must contain the same information as required of the W-2 form. An adding machine tape, listing the amounts of income tax withheld, as indicated by the individual employee's statements, should be included with the return.

The Form W-3 must show a breakdown of all withholding payments made either quarterly or monthly in the boxes provided. The amount paid and the amount withheld

should be equal. If they are not equal, attach an explanation for any discrepancy.

If a balance due is indicated, the amount must be paid on or before February 28th. If an overpayment is indicated, amended returns for the month(s) or quarter(s) in which the overpayment occurred must be filed.

The completed Form W-3 and all attachments must be submitted to City of Englewood, Income Tax Department, 333 W National Road, Englewood, Ohio, 45322, on or before February 28th of each year.
