A RESOLUTION: ESTABLISHING A GEOGRAPHIC AREA, DECLARING THE NECESSITY OF CONSTRUCTING OR REPAIRING SIDEWALKS, CURBS AND DRIVEWAY APPROACHES, AND AUTHORIZING THE CITY MANAGER TO EXECUTE A CONTRACT WITH COATE CONSTRUCTION, APPROVING THE 2023 SIDEWALK, CURB, AND DRIVE APPROACH REPLACEMENT PROGRAM

WHEREAS, the City has a documented, established policy for requiring property owners to properly maintain sidewalks, curbing, and drive approaches on or abutting their properties, the application of said policy occurring by way of a “Sidewalk Program”; and

WHEREAS, the city will inspect sidewalks, curbing, and drive approaches in said geographic areas, to determined deficiencies as well as notified property owners of same; and

WHEREAS, the City can reasonably anticipate that not all sidewalks, curbing, and drive approaches identified as defective will be privately repaired; and

WHEREAS, defective sidewalks, curbing, and drive approaches may pose a danger to the public welfare and may negatively impact property values;

WHEREAS, Englewood has pursued a citywide sidewalk, curbing and driveway apron maintenance program, has duly passed authorizing legislation for such program year after year, and has supplied affected property owners with notification of responsibilities and options pursuant to inspections of their property; and

WHEREAS, bids from contractors for work identified by the year 2003 sidewalk, curbing and driveway apron maintenance program were solicited by advertisement in a newspaper of general circulation and by other means, and were opened and read aloud on June 30, 2003; and

WHEREAS, the contract authorized by Council resolution 26-03 was lowest of the six responsive bids received for the year 2003 sidewalk, curbing and driveway apron maintenance program; and

WHEREAS, the contractor awarded a contract for year 2003 sidewalk program repairs agreed to hold the same price for years 2004 through 2022 and now again for year 2023, in accordance with provisions of Section 232.10(m), Purchasing Contract Renewals, of the Englewood Codified Ordinances;

- SECTION VI** That the City Manager be hereby authorized to enter into a contract with Coate Construction Company, at a cost for work specified not to exceed TWO-HUNDRED THOUSAND DOLLARS (\$200,000), to construct sidewalk, curbing and driveway apron repairs pursuant to the approved maintenance program for same established by Englewood.
