## What is a penny auction?

Multiple prizes will be brought in for you to “bid” on. You will be given pennies to play the game with. You will not use any of your own money. Everyone receives a numbered paddle, the auctioneer will hold up an item and tell you how many pennies it costs to bid on that item.

Once all bids are placed, a number will be drawn. If you bid and your number is drawn, you will win the prize. Trivia questions will be provided along the way to provide the opportunity to earn more money to bid with. This is a fun, competitive game and is more enjoyable with more players! Grab a friend and join us for a morning of fun and laughter....

And free prizes!
