Are you feeling stressed, anxious and/or overwhelmed? Do you have low back and/or hip pain that just won't go away? If so, then this class is for you! Enjoy a gentle yoga practice that is designed to stretch the lower body and open the hips where we tend to carry stress. We will practice meditation and pranayama designed to clear your mind and leave you feeling relaxed and peaceful. Participants will experience accessible yoga postures, meditation, breathing techniques, and deep relaxation to reduce stress and enhance overall health and wellness. Please wear comfortable clothing and bring a yoga mat and blanket.
