 Earl Heck Community Center

An Invitation

As president of the Englewood Senior Citizens Club, I extend an invitation to join our club and participate in our senior activities. Our senior club meets at the Earl Heck Community Center every second and fourth Friday of the month. On the second Friday we have a Senior Carry-in Luncheon followed by entertainment or a guest speaker. On the fourth Friday, we hold our monthly club business meeting, along with a pizza party for our members. The purpose of the Englewood Senior Citizens Club is to promote companionship, create friendly relationships and encourage social contact among its members. Membership is open to anyone 55 and older and membership dues are only \$5 per year. Be sure to check out the Earl Heck Center monthly calendar to see all the additional senior programs and activities available to you. Hope to see you soon!

- Dolores Whittaker, President

Please take advantage of these services offered to our Senior Citizens. For more information, please call Ryan at 836-5929.

-Mr. Ryan Kruse, Director
